

Guidelines for Domestic buyers-

We Krisha Agri And Allied Industries Pvt. Ltd. are leading supplier of pomegranates since 2016. We procure the best quality pomegranates for our domestic and export purposes. We work in direct association with farmers from Solapur, Sangli, Satara and Pune districts of Maharashtra.

Our offerings-

- A.** Direct supply to traders
 - a. Packaging in 20 kg crates.
 - b. Packing of 10 kg in cartons.
- B.** We can partner with Traders to procure pomegranates directly from orchards.

A. Direct Supply to Traders-

- Buyers can contact us on daily basis for their requirements with specifications like Fruits size, color, packaging, quantity, grading sorting terms etc.
- We would provide a daily quotation according to the daily rates in the concern APMC market.
- Buyers can place an order for the daily requirement before 11 AM.
- We would purchase the pomegranates and send you the invoice containing total amount via email and phone.
- Once we receive the payment (Online/ Cash) before 12:30 PM IST, we would start with the packing in 20 kg crates.
- Transportation charges will be paid by buyer from loading point to dispatch point. We will share vehicle tracking details at the time of dispatch.
- At the destination, the buyer's team would check the crates for desired 20 kg weight. Empty cartons will be returned back to the transporter. Buyers can provide empty cartons and transport vehicle if required as per convenience before packaging.
- For weekly requirements, the buyers need to describe their requirements with specifications and expected quantity. The exporter need to agree to a fixed rate per kg.
- We can provide the traders with packed 10 kg cartons of pomegranates to their location. Alternatively, the exporter's men could also be present at the packing location. The Trader can provide the 10 kg cartons and tray (if required) a day before the packing starts.
 - **Packing Description:**
 - Pomegranate variety:
 - Fruit Size:
 - Packing Count:

- Carton Specifications: Cartons or print design and carton dimensions can be provided by the exporter.
- The buyer needs to pay for the transport charges from dispatch point to their location.

B. Direct Purchase of Pomegranate Orchard-

- An trader must have purchased pomegranates from farmers directly.
We will introduce trader to our farmers. Certain percentage will be charged as commission for the transaction.
- Please specify your pomegranate requirements per week. If you need a large orchard almost 100-400 tons or a medium orchard 25-100 tons, we can search for those as well.
